

CONSENT TO USE OF TAX RETURN INFORMATION

Federal law requires this consent form be provided to you. Unless authorized by law, we cannot use, without your consent, your tax return information for purposes other than the preparation and filing of your tax return.¹

You are not required to complete this form. If we obtain your signature on this form by conditioning our services on your consent, your consent will not be valid. Your consent is valid for the amount of time that you specify. If you do not specify the duration of your consent, your consent is valid for one year.¹

By signing this consent we may use your tax return information to suggest various tax saving ideas, generic types of retirement plan options, insurance and financial products and mailings, including electronic transmission of JBSK newsletters, press releases, upcoming seminars and other JBSK announcements. To determine whether any of this may be of interest to you, we will need to use your tax return information. If you would like us to use your tax return information in this manner, please sign and date this consent form.

It is anticipated that we will use your tax return information in future years in a similar manner, and as such, the consent to this use of tax return information shall remain in effect April 30, 2014, or until it is revoked by you.

By signing below, I authorize JBSK CPAs LLP, its partners and employees, to use the information provided during the preparation of my tax return, including my entire return, for the uses discussed above. I understand I have the right to limit the consent to specific information, not just authorize use of the entire return. Recognizing that right, I consent to the use of my entire tax return.
